CAREER ADVISORY 4 YEAR CAREER ROAD MAP

Feedback Corner

"The career counsellor handled my concerns very delicately and it was relieving to share my career related worries with her. Because of her guidance, I was able to identify different internships opportunities enabling me to be financially independent."

"Thank you so much for all your career help and guidance. When I came to see you, I could not make up my mind on anything. But now I am more goal-oriented. Overall, it was an amazing experience."
